

The success of the ARL is attributed directly to our team of volunteer coaches who gave a lot of their time and energy to the league in 2009, and their efforts helped raise over 40,000\$ revenue for the club.

A special thank you goes to Cynthia Herman for her work with registration and to Rob Boraks for his fundraising support.

The ARL is proud to be run by volunteers, many of them serving for many years. ARL coaches with 5 years or more of service were recognized with RowOntario volunteer certificates. We hope the club will continue this practice on a regular basis as this simple gesture was greatly appreciated.

To guarantee program success and coaches' retention, the league is dependent on the administration of the club to provide priority times for practices, assistance with races, support in coaches recruitment efforts, and investment in infrastructures (motor boats, docks, and rowing shells).

The program price was increased by 15\$ in 2009 in order to buy new dry-wick shirts (which were very popular!), but luckily the shirts didn't cost as much as expected, which resulted in a slight increase in program revenue.

Thank you for the 3 newer Hudson eights!

Respectfully, Mel Bryce & Brian Storosko
